Dear Parents / Guardian

Workshop on 'Supporting Your Child's Learning (Science)'

1. The Science department will be conducting a workshop for parents of Primary 5 and Primary 6 pupils. Ms Geraldine Tng (HOD-Science) and Mrs Josephine Lim (Level Head-Science) will be sharing information and strategies as to how you could support and monitor your child's progress in Science learning.
2. The objectives of the workshop are to familiarise parents with:
 - The Science curriculum, syllabus and exam format
 - Process skills in answering Science questions
 - Common mistakes made and misconceptions held by the pupils
 - The application of Science in our daily lives
3. Details of the workshop are as follows:
Date: 4 March (Saturday)
Time: 9.00 – 10.30 am
Venue: Inno Room
Group size: 50 parents (one parent per child)
4. Please note that this workshop is meant for adults and as such, we would appreciate it if children do not accompany parents to the workshop.
5. To sign up for the workshop, we would appreciate if you could access the following link or scan the QR code using a QR Reader in your smart phone. You could download the QR Reader via the Apple Store or Play Store for iPhones or Android devices respectively.

6. We look forward to your support as we believe that your participation will enable you to play a more active role in your child's learning of Science. Please note that registration is on a first-come-first-served basis. If you would like any clarification, please contact the General Office at 6385 2455.

Yours faithfully

Ms Christina Teo
Principal
