Dear Parents / Guardians

## Primary 6 Matters for Semester 2

We welcome the pupils back to school to continue their learning in Semester 2. I trust that you and your family had the opportunity to spend time together to strengthen family bonds.

### 1. Revised timetable for Primary 6 pupils

With reference to the letter (Ref: 2017OLN\_0281), the Supplementary Programme for P6 will commence on 4 July 2017. Concurrently, the Support Programme for P1 to P5 for pupils who need more support to deepen their learning will commence. We have studied the data on the number of pupils involved in these two programmes and the needs of the pupils. For pupils' well-being, we will be making adjustments to the timetable **for the P6 pupils only** on certain days with effect from 4 July 2017. The objective is to ensure that the pupils have sufficient time for their lunch. The updated timetable is shown below:

### 3. T-Score for Semester Assessment 1 (SA1) Assessment

Your daughter/ward will be informed of her T-Score by 8 July, Friday. The Form and Co-Form teachers will be guiding the pupils to review their progress and to reflect on their strategies during the FTGP period on that day. We would like to encourage you to spend some moments to have a conversation with your child/ward on her progress. Through the conversation, do affirm your child/ward for areas in which she did well and the effort she has put in. Focus on her strengths will encourage your child/ward to give her best.

### 4. Meet-the-Parent Session for P6 After the Preliminary Examinations

We will be having a meet-the-parent session for all Primary 6 pupils in September. The objective is to provide timely feedback on your child's/ward's progress before the PSLE. More details will be given at a later date.

5. Should you have further queries, please contact your child's/ward's Form Teacher or Ms Wendy Woo at Tel: 6385 2455 or via email. The teachers' email addresses can be found on <http://chijourladyofthenativity.moe.edu.sg/school-information/about-us/school-staff>

6. We look forward to your continual support in developing our girls. We wish the girls a fruitful semester of learning and may they continue to build strong and lasting friendships.

Thank you & God bless,

Ms Christina Teo  
Principal
