P1 Poetry Recitation

Dear Parents/Guardian

- The P1 pupils have embarked on their Speech and Drama lessons this term and will be participating in an in-class Poetry Recitation. This will allow their teachers to observe their awareness and demonstration of the following presentation skills:
 - Voice Projection:** The ability to speak loudly and clearly, without the audience straining to hear.
 - Eye Contact:** The ability to maintain eye contact during the presentation.
 - Posture:** The ability to maintain performance position during the presentation. (Feet comfortably apart, shoulders back)
- The poetry recitation will be conducted in Term 3 Week 10 during English lessons. Your daughter/ward has been informed that she can choose any one of these three poems.

<p>Pancake Day</p> <p>Mix a pancake, Stir a pancake, Pop it in the pan.</p> <p>Fry the pancake, Toss the pancake, Catch it if you can.</p> <p>Christina Rosetti</p>	<p>The Bumble-bee</p> <p>The bumble-bee, the bumble-bee- He flew to the top of the apple tree; He flew to the top, but he could not stop, For he had to get home to early tea.</p> <p>The bumble-bee, the bumble-bee- He flew away from the apple tree; But he made a mistake and flew into the sea, And he never got home early for tea.</p>	<p>Let's Talk</p> <p>Lips are for speaking And smiling too. Tongues are for saying How do you do?</p> <p>Hands are for waving To people on the street And hearts are for loving Everyone we meet.</p> <p>Ask the person on your left If he would be your friend Then turn to your right And do the same again.</p> <p>Telcine Turner</p>
