Dear Parents / Guardian,

A New Beginning for 2018 (Primary 6)

1. Welcome

Warmest greetings to you and your family for the year 2018 and a warm welcome to your daughter/ward back to school. We hope that she has had a good break and has enjoyed time with friends and family during the holidays.

2. Back-to-School Programme

The school has implemented a new Back-to-School Programme, which will take place from Tuesday 2 January to Thursday 4 January during curriculum hours for all pupils. The objectives of the programme are:

- a) to allow time for our girls to reflect, focusing more on their social emotional development as they get accustomed to the new level and class, and.
- b) to develop a positive class spirit by establishing quality teacher-student and peer relationships.

Through this programme, the girls will engage in a variety of activities to build rapport with their Form/Co-Form teachers and classmates, and to strengthen their social emotional competencies. The focus for the Primary 6 girls will be to strengthen self, relationship management and decision-making skills. In addition, the girls will learn about cyber-wellness and being responsible digital learners through the MOE's Growing Year Series Programme. In addition, the girls will participate in the Personal Effectiveness Programme which provides them with opportunities to acquire learning strategies such as note-taking, mind maps, and memory skills. We hope that these meaningful back-to-school experiences will help our girls transit smoothly to Primary 6.

3. Students' Learning & Well-Being

- a) Please ensure that your daughter/ward has her breakfast daily before school starts. Breakfast is important in re-fuelling her body with energy and nutrients, kick-starting the day. If she misses breakfast, your daughter/ward may feel lethargic and tired. This can lead to her having difficulty concentrating and giving her best in school. Do note that your daughter/ward can bring along healthy snacks for her daily snack time at 9am.
- b) Daily homework will be written on the whiteboard together with the dates of submission. Please encourage your daughter/ward to record homework details and reminders. This will help to strengthen her organisational skills.
- c) Do check your daughter's/ward's work on a regular basis to monitor her progress closely. The subject teachers will also be requesting your signature on her books/worksheets to acknowledge her learning progress regularly.
- d) If your daughter/ward is unable to attend school for a reason, please have her submit either an official medical certificate or a letter to explain her absence once she returns to school. Where assessments are concerned, she will need to submit an official medical certificate.
- e) The Form/Co-Form Teachers have briefed the girls on the School Rules and Safety Guidelines that are found in the School Organiser 2018. You are encouraged to reinforce the learning at

home, and are requested to sign pages 21 and 27 to acknowledge that you too have read the guidelines.

- f) We would also like to find out more about your daughter/ward so that the teachers can better support her. Please complete the attached survey (Annex 1) and have your daughter/ward submit it to her Form Teacher by Friday 5 January.

4. **Class Timetable**

The class timetable has been distributed to all students on Tuesday, 2 January. In view of the Back-to-School Programme, the timetable will take effect from Friday 5 Jan. Kindly ensure that your daughter/ ward packs her school bag with only necessary items for her lessons.

5. **Home-School Collaboration**

In view of the Back-to-School Programme, the timetable will take effect from Friday 5 Jan. Kindly ensure that your daughter/ ward packs her school bag with only necessary items for her lessons. The school believes in working closely with you in your daughter's/ward's holistic development and to develop her potential. Our collaborative effort will enable us to work together to better support your child/ward in her journey.

A key communication tool used by the school is the Tok Tok Messenger app. Do refer to the website for instructions on its download and use (<http://chijourladyofthenativity.moe.edu.sg/information-for-parents/messaging-system>). The Tok Tok app will be used by the school for mass messaging from 12 Jan.
