Dear Parents / Guardian

International Friendship Day Field-Based Learning: S.E.A Aquarium

1. To extend and enrich our pupils' learning experiences, field-based learning will be integrated into the teaching and learning programme for all six levels of pupils this year. Two School-Wide Learning Journeys (SWLJs) will be mounted for this purpose. The first of the two SWLJs will be held in conjunction with the commemoration of International Friendship Day.
2. Primary Two pupils will be visiting the S.E.A Aquarium, where they will learn about the diversity of aquatic life and interactions between species and adaptations of marine animals through the Aquarium's Wonders of the Sea Programme.
3. The learning journey will take place during school hours on Friday, 9 March 2018. Pupils will report to school as usual by 7.45a.m. They will be dismissed at the usual dismissal time of 1.30p.m.
4. As the pupils will be spending the day at the S.E.A Aquarium, we seek your help to pack a snack for your child/ward to be consumed at about 10.30a.m. All pupils would need to bring along their water bottle. Upon their return to school, pupils will be given a snack break and will also be provided a bun each. Please ensure that your child/ward has a substantial breakfast as canteen stalls will not be operating that day.
5. Your child/ward will also need to have her stationery with her as some activities will require writing.
6. You would have indicated your consent for your child/ward to attend this learning journey earlier in the "School Programmes 2018" letter dated 12 January 2018. If you had not consented to your child/ward attending the programmes, she will not be required to report to school that day.
7. Please acknowledge the receipt of this letter by submitting the attached reply slip by 26 February. If you need any clarification, please contact your child's Form Teacher at 6385 2455 or via the school email at chijoln@moe.edu.sg.

Thank you & God bless

Ms Christina Teo
Principal
