Learning Responsibility

Getting accustomed to
Primary School

Are you delivering your daughter's forgotten lunch or water bottle? Her homework, stationery, books, shoes, PE attire etc.? If so,

DON'T.

LET YOUR CHILD LEARN RESPONSIBILITY.

Your daughter will learn to be independent and responsible if you don't bring these forgotten items to school to bail her out, even if you sincerely believe that it's your fault and not hers. She will not lose out, fail or miss out on her chance to become a contributing citizen of society just because she does not have the item you were thinking of delivering.

With effect from **10 July 2017**, the school will no longer be receiving any such forgotten items.

Let's work together to build the character and resilience of our next generation.

Health Matters

- Our school will not accept any goodie bags or birthday cakes for birthday celebrations:
 - Potential allergic reactions
 - Discourage culture of comparison amongst pupils

Aims of Primary Education (MOE)

- Nurture the whole child.
- Lay a strong foundation in the early years of formal education.
- Prepare the child for the future.

Partnering IJ OLN

- Seek to understand what we do and why we do it – consideration for all and meeting multiple needs
- Show respect to staff and to one another.
- Model gracious behaviour

Thank you
