E Learning (9 July to 16 July)

Dear P1-P6 Parents/Guardians,

We will be having our E-learning for Semester 2 from 9 July to 16 July . The pupils will be given assignments to be completed via the various e-learning platforms as part of their homework. This is in line with the objective of E-learning which is to familiarize the pupils with an online learning environment that is necessary in the event of a national emergency where school closure is required, as well as learning through the use of information technology. If need be, pupils can access laptops in the library after curriculum hours. There will also be laptops available for use at the lobby between 6.45am and 7.30am during E-learning week. Thank you for your continual support and collaboration with the school.

CHIJ Our Lady of the Nativity

Thank you.

End of Message.
