Dear Parents/Guardians of **[Student Name] ([Form Class])**,

### **ACCESS TO SINGAPORE STUDENT LEARNING SPACE**

1. As part of Ministry of Education's (MOE) commitment to nurture future-ready learners, an online learning platform known as the ***Singapore Student Learning Space (SLS)*** is made available to all students.
2. The SLS is an online platform with tools and curriculum-aligned resources for all students to learn at their own pace and collaboratively. With the SLS, students can take greater ownership of their learning and pick up skills and habits that prepare them for lifelong learning. Teachers will also use the SLS to complement classroom teaching and learning.
3. The SLS is collectively shaped by teachers and students. Taking into consideration their ideas and feedback on the resources and tools, the system is developed iteratively to stay dynamic and responsive.

### **ACCESS TO SLS**

4. The SLS can be accessed from <https://learning.moe.edu.sg>. Your child's username is as follows:  
**[Login ID]**
5. The password will be given separately.
6. The instructions for you to assist your child with her initial login, and a set of Frequently Asked Questions (FAQs) on SLS (Annex A & B) will be uploaded via PG.
7. During account activation, please remember to enter your email address in the "Password Reset Email Address" field, as this will help your child to reset her password in the event that she forgets it. (See para 4 in Annex A.)
8. For technical assistance, you may contact:
  - (a) School-based Helpdesk at 6385 2455
  - (b) SLS Helpdesk at [helpdesk@sls.unity.com](mailto:helpdesk@sls.unity.com) or 6702 6513.

Yours sincerely,

Ms Christina Teo
