Dear Parent / Guardian,

P6 PSLE Registration Exercise

1. You should be receiving your child's Invoice for the PSLE Registration Exercise by Friday, 8 April 2022. This will serve as confirmation that your child has been registered for the PSLE.
2. Please check the information on the Verification Slip (VS) especially her Statutory Name, Birth Certificate number, Name in Chinese Characters (if applicable), Nationality, Citizenship Type and the Subjects to be taken.
3. If there is any discrepancy, please make the amendment(s) in red and return the document to the school.
4. If there is no discrepancy, please keep the document. There is no need for you to return the document to the school.
5. Singaporean students are not required to pay PSLE fees. If your child is a non-Singaporean, please follow the payment instructions on the document.
6. Should you need any clarification on the document, please contact my Administration Manager, Ms Clarabelle Chu. If you have any query on the subjects listed on the document, please contact your child's Form Teacher.
You can contact them at 6385 2455.

Thank you and God bless.

Ms Christina Teo
Principal
