### **EXCHANGE / DONATION OF USED TEXTBOOKS 2022**

Dear Parents / Guardian

1. The school will be organizing a textbook exchange / donation drive from **7 November to 11 November 2022**. Students are encouraged to exchange their used textbooks or donate them to reduce waste.
2. A booth will be set up at the school's recycling corner for students to deposit or exchange their textbooks.
3. Please note that all textbooks that have been collected by the end of this drive will be donated to the **FairPrice Share-A-Textbook project**. The FairPrice Share-A-Textbook project seeks to promote sustainability through reducing waste and encouraging the spirit of sharing. The project also aims to help relieve the financial burden of families by providing free used textbooks.
4. Your participation would make a positive impact on both our society and the environment.

Thank you and God Bless,

Ms Christina Teo

Principal
