Dear Parents and Guardians,

CHIJ OLN IJ Bazaar

1. As part of our Values-in-Action programme, the P6 students will be organising an IJ Bazaar to raise funds for the Infant Jesus Homes & Children's Centre (IJHCC) on **9 November 2022, Wednesday**. The IJ Bazaar is an annual event held by the P6 level, one that sparks much enthusiasm among their P1 – P5 schoolmates.
2. The objective of the programme is to provide yet another opportunity for our girls to demonstrate the school values and to serve with love. Through planning for and setting up their class stalls, our girls also learn to lead and to work together, to exercise initiative and discipline.
3. The Bazaar will be an exciting event held during the level recesses. Stalls will be set up and manned by the P6 girls. There will be game stalls and stalls selling items such as hand-made handicrafts and stationery created by our P6 girls.
4. All items are priced at a range from \$1 to \$4. Should you be able to support the event, please do let your child to have extra pocket on that day.
5. We look forward to your support of this effort by our P6 girls. Together, through this activity, we demonstrate yet again the IJ spirit of being a blessing to others.

Thank you and God bless,
CHIJ OLN
