# CHANGES TO PSLE IN 2021

## Announced in 2016

### From T-score to Wider Scoring Bands

- Students are less finely differentiated on the basis of every mark. Each subject will be scored using 8 Achievement Levels (ALs), with AL1 being the best.
- Students who demonstrate similar achievement for a subject will receive the same AL, regardless of how they compare to their peers.
- These standards will remain the same from year to year.

### Choice Order of Schools Matters More in Posting

- While academic merit remains the first criterion for Secondary School posting, choice order as a new tie-breaker is designed to recognise the different considerations families have when choosing a suitable secondary school.
- If 2 students with the same PSLE Score vie for a place in a school, the following tie-breakers will be used:
  - Citizenship
  - Choice Order of Schools
  - Computerised Balloting

### Presentation of Results in Achievement Levels (ALs)

- Starting from the 2020 Primary Five (P5) cohort, school-based examination results of P5 and P6 students will be presented in ALs to help familiarise them with the new scoring system.

| Holistic Development Profile (HDP) |      |    |
|------------------------------------|------|----|
| Subject                            | Mark | AL |
| English                            | 85   | 2  |
| Mathematics                        | 75   | 4  |
| Science                            | 65   | 5  |
| Mother Tongue                      | 55   | 6  |
| Total AL Score: 17                 |      |    |

Information on Secondary Schools' indicative Cut-Off Points (COPs) will be provided in AL terms in the first half of 2021. These AL COPs will be derived from the PSLE scores and choice patterns of the 2020 Secondary 1 (S1) posting exercise.

### Scoring for Foundation Level Subjects

- Foundation level subjects support students who require additional help to build up strong fundamentals, giving them confidence to learn at a pace and level suited to them.
- Foundation level subjects will be graded AL A to AL C under the new scoring system.

| Grades for Foundation Subjects | Foundation Raw Mark Range | Equivalent Standard Level AL |
|--------------------------------|---------------------------|------------------------------|
| A                              | 75-100                    | 6                            |
| B                              | 30-74                     | 7                            |
| C                              | <30                       | 8                            |

- Students' PSLE Score will be the sum of the four AL scores of all Standard and Foundation subjects they take.
- For S1 posting, Foundation level subject scores will be converted to the equivalent standard level subject scores before the total score is calculated.

### Eligibility for Sec Sch Higher Mother Tongue Language (HMTL)

- Students who are eligible for HMTL in Secondary Schools will be based off the criteria below.

#### Criteria Under The New Scoring System

PSLE Score of 8 or better  
OR  
PSLE Score of 9 to 14 inclusive; and AL1/AL2 in MTL or Distinction/Merit in HMTL

- Secondary schools have the flexibility to offer HMTL to students, if they are assessed to have high ability and interest in MTL, and are able to take HMTL without affecting their performance in other subjects.

Visit our PSLE website to find out more!

### 3 Calculating PSLE score and course placement

Your child's PSLE score will be the sum of the four AL scores across their Standard and Foundation level subjects. The PSLE score ranges from 4 to 32, with 4 being the best possible total score.

Your child will be placed in Group 1, 2 or 3 based on their PSLE score. They will be able to take all subjects in secondary school at the level they are placed at\*

| Placement outcome | PSLE score  |
|-------------------|---|
| Group 3           | 4-20  |
| Group 2 or 3      | 21-22   |
| Group 2           | 23-24   |
| Group 1 or 2      | 25  |
| Group 1           | 26-30<br>with AL 7 or better in both English Language and Mathematics |

\* Students who progress to Group 1 must score at least an AL7 in both English and Mathematics. This criterion is not applicable to all other secondary courses.

### 4 Subject-Based Banding eligibility in secondary school

Subject-Based Banding (SBB) in secondary school recognises and develops students' subject-specific strengths, and provides them with opportunities to reach their fullest potential.

SBB allows eligible **G2 and G3** students to take selected subjects at a more demanding level at Secondary 1, based on their AL scores for individual subjects rather than the overall PSLE score.\*

| For students offered Group 2 or 3  |                             |
|--|-----------------------------|
| PSLE Standard/ Foundation subject grade  | Option to take a subject at |
| AL 5 or better in a Standard level subject                                       | Group 3                     |
| AL 6 or better in a Standard level subject or AL A in a Foundation level subject | Group 2                     |

\* Students in the Express course will take all subjects at the Express level, regardless of their individual subject AL scores at the PSLE.

For more information, pls see:

#### New PSLE Scoring System

The revised PSLE scoring system in 2021 will help your child focus on their learning instead of how they compare to others.

The PSLE is a useful checkpoint to gauge your child's understanding of key concepts and academic strengths. This will help your child learn at a suitable pace when they progress to secondary school.

Changes made to the PSLE scoring system from 2021 will reflect your child's level of achievement through scoring bands.

If your child is exempted from taking Mother Tongue Language, or is considering taking Higher Mother Tongue Language in secondary school, you can find out more via the PSLE-FSBB microsite or reach out to the school.

- Choice Order

# INDICATIVE PSLE SCORE RANGES

- The **indicative** PSLE Score ranges can be found on <https://moe.gov.sg/schoolfinder> and <https://go.gov.sg/exploreschools>.
  - Data was taken from students' PSLE results and school choice patterns at the 2023 S1 Posting Exercise.
- Similar to the T-score system, the school's PSLE Score range for a particular year is not pre-determined, and may vary from year to year, depending on the cohort's PSLE results and their school choices in the previous year's S1 Posting Exercise.
- This is a guide to shortlist school choices.
- Consider Indicative Score ranges alongside other factors, e.g. the school's programmes, culture, ethos, Co- Curricular Activities, and proximity to home

# SAMPLE PRESENTATION ON MOE' S SCHOOLFINDER

Indicative PSLE Score range of 2020

| G1 |            | 25-28          |

Similar to the T-score system, the indicative PSLE Score range refers to the PSLE Score of the first and last student admitted into a particular school in the previous year via S1 Posting. This shows the range of student profiles who enter each school.

# EXAMPLE OF AN SAP SCHOOL' S INDICATIVE PSLE SCORE RANGE

While students need not take HCL to enter SAP schools, students who pass HCL receive a posting advantage for admission. To reflect this, the indicative PSLE Score ranges of SAP schools include the HCL grades of the first and last student admitted in the previous year via S1 Posting.

## Example

XX Secondary School

Indicative PSLE Score range of 2020

|    |                |
|----|----------------|
| G3 | 5 (D) – 12 (P) |
| G2 |                |
| G1 |                |

Students who scored better than the school's COP, whether they take HCL, in this particular posting exercise would have been admitted to the school

Indicative PSLE Score and HCL grade of the first student posted into the school in the G1 course

Indicative PSLE Score and HCL grade of the last student posted into the school in the G1 course [i.e. the school's Cut-Off Point (COP)]

# HCL POSTING ADVANTAGE FOR ENTRY TO SAP SCHOOLS

- Students' HCL results will be denoted as 'D' (Distinction), 'M' (Merit) or 'P' (Pass).
- Students will be ranked taking into account their performance in HCL.
- **This posting advantage applies before the tie-breakers for S1 Posting.**
- Students need not take HCL to enter SAP schools. Those who do receive a posting advantage for admission.

|     |   |   |             |
|-----|---|---|-------------|
| 1st |    | 7 | NO HCL      |
| 2nd |    | 8 | DISTINCTION |
| 3rd |    | 8 | MERIT       |
| 4th |    | 8 | PASS        |
| 5th |   | 8 | NO HCL      |
| 6th |  | 9 | DISTINCTION |

*\*For more information on the posting advantage to SAP schools, please visit the [PSLE-Full Subject Based Banding \(PSLE-FSBB\) Microsite](#)*

# CHOICE ORDER OF SCHOOLS WILL MATTER MORE

- Students continue to have six choices in selecting their secondary schools.
- Students will be posted to a secondary school based on academic merit, i.e. PSLE Score, and their school choice rank order.
- If two students with the same PSLE Score vie for the last remaining place in a school, the following tie-breakers will be used in the following order:

1. CITIZENSHIP

**NEW!**

2. CHOICE ORDER OF SCHOOLS

3. COMPUTERISED BALLOTING

The new tie-breaker based on school choice order recognises the different considerations that families have in making school choices.

# 2

## FULL SUBJECT-BASED BANDING (FSBB)

# WHAT ARE THE CHANGES?

- **Mixed form classes at lower secondary**
- Students can take subjects at **three subject levels**, known as G1, G2, G3 (G stands for General), mapped from today's N(T), N(A) and Express standards respectively
- All secondary school students can offer English Language, Mother Tongue Languages, Mathematics and Science at **a more demanding level** from the start of Secondary One based on students' PSLE Achievement Level (AL) for each subject
- Students **will also be able to offer Humanities subjects** (Geography, History, and Literature in English) at a more demanding level from Secondary Two.

### 3 Calculating PSLE score and course placement

Your child's PSLE score will be the sum of the four AL scores across their Standard and Foundation level subjects. The PSLE score ranges from 4 to 32, with 4 being the best possible total score.

Your child will be placed in Group 1, 2 or 3 based on their PSLE score. They will be able to take all subjects in secondary school at the level they are placed at\*

\* Students who progress to Group 1 must score at least an AL7 in both English and Mathematics. This criterion is not applicable to all other secondary courses.

### 4 Subject-Based Banding eligibility in secondary school

Subject-Based Banding (SBB) in secondary school recognises and develops students' subject-specific strengths, and provides them with opportunities to reach their fullest potential.

SBB allows eligible **G2 and G3** students to take selected subjects at a more demanding level at Secondary 1, based on their AL scores for individual subjects rather than the overall PSLE score.\*

| AL 6 or better in a Standard level subject or AL A in a Foundation level subject | Group 2                     |

## APPLYING FOR CHIJ SJC, USING THE AFFILIATION PRIORITY

# ELIGIBILITY FOR AFFILIATION PRIORITY IF:

- Meet the affiliate minimum requirement (AMR) set by CHIJ St Joseph's Convent; **and**
- Indicate **CHIJ St Joseph's Convent** as her first choice at Secondary 1 Posting

| Course  | 2023 PSLE Score Range (Affiliate) | 2023 PSLE Score Range (Non-affiliate) |
|---------|-----------------------------------|---------------------------------------|
| Group 3 | 9 – 20                            | 9 - 14                                |
| Group 2 | 21 – 24                           | 21 – 23                               |
| Group 1 | 25 - 28                           | 25 - 27                               |

# PLEASE NOTE:

- If your child's PSLE score meets CHIJ St Joseph Convent's AMR and she wants to be considered for affiliation priority, she **must indicate the affiliated secondary school as first choice**.
- If your child prefers other non-affiliated schools instead, she should rank them ahead of CHIJ St Joseph Convent.
- If CHIJ St Joseph Convent is her 2<sup>nd</sup> – 6<sup>th</sup> choice, your daughter will **not** be considered for affiliation priority. She will be considered for admission together with non-affiliated applicants since the affiliated secondary school is not his/her first choice.
- Applications to an affiliated school **does not guarantee a place**.
- No change to affiliation policy in the new PSLE Scoring and S1 Posting systems

# THERE IS NO CHANGE TO AFFILIATION POLICY IN THE NEW PSLE SCORING AND S1 POSTING SYSTEMS

- **Affiliation priority and meeting the AMRs do not guarantee admission into the affiliated secondary school:**
  - Subject to child indicating affiliate school as **first choice** at S1 Posting and the **availability** of vacancies in the school
  - If the demand from affiliates exceeds the available vacancies for affiliates, they will be posted by merit based on their PSLE scores. No change from previous years.
- **Sec schools reserve 20% of the places in each course (Groups 1 / 2 / 3 for students who do not benefit from affiliation priority**

# SEC I POSTING: APPEAL FOR TRANSFER

- Students who wish to put in an appeal **due to serious medical reasons / Impairment** are to apply through posted secondary school the day after release of posting results
  - MOE will consider the appeal on a case-by-case basis
  - Outcome will be made known to applicants in early Jan through the posted secondary school
- Students who are seeking a transfer **due to non-medical reasons** should check the secondary school's website for information on the appeal process. Note:
  - Strictly by Cut-Off Points (COP) and school-based criteria.
  - Need not to ask for testimonials.

# CAN I APPEAL TO ENTER THE AFFILIATED SECONDARY SCHOOL IF MY CHILD IS NOT POSTED THERE?

- Parents are strongly encouraged to allow their child to settle down in their posted school, so as not to disrupt the child's learning as schools may not have available vacancy to take in appeals
- Students who wish to appeal for a school transfer on grounds other than serious medical conditions, may approach their school of choice directly
- Schools with available vacancies may consider the child **only if the child's PSLE score has met the school's COP** for that year's S1 Posting:
  - For eligible affiliates who indicated the affiliated secondary school as her first choice, this would be the affiliate COP
  - For eligible affiliates who did not indicate the affiliate secondary school as her first choice, this would refer to the non-affiliate COP

# OTHER CONSIDERATIONS

# 4

Parents may use this guide to start thinking about factors to consider as you shortlist secondary schools with your child. You can visit the PSLE-FSBB Microsite to get a copy of this guide and other resources.

## A SECONDARY SCHOOL THAT'S SUITABLE FOR YOUR CHILD

Help them match to their strengths and interests.

**ASK:**  
What are their strengths, interests, and abilities?

- What kind of courses, programmes and opportunities will develop these?
- Will the pace of learning be suitable for them?

**CONSIDER:**

- o School Culture
- o Courses
- o Programmes, Subjects and CCAs Offered
- o Location and Transport
- o If your child has Special Educational Needs  
Select schools with specialised facilities or resources.

**SUBMIT:**

- o 6 School Options  
So that your child is more likely to get into a school of choice.
- o Schools with Different Cut-Off Points  
Consider at least 2-3 schools where your child's PSLE Score is better than the school's Cut-Off Point.

**REFER TO:**

 **MOE's SchoolFinder**  
Check out schools based on subjects offered, co-curricular activities, location and contact information.

**YOUR RANKING OF SCHOOL CHOICES MATTERS.**

The higher you rank your preferred school in your choice order, the better your child's chance of being posted there if there is a tie-breaker.

Do note that schools' PSLE Score ranges can vary from year to year, since they depend on each cohort's performance and choice patterns.

### Celebrating Your Child's Effort, Guiding Them Forward

Your words and actions make a big difference to how your child feels.

Here are some suggestions to make your child feel appreciated for their effort in the PSLE, as well as tips for choosing suitable secondary schools with them.

## #1 Be present

Even if you cannot physically be with your child in school on the day itself, a short phone call before and after the results' release on how they are feeling will show that you are there for them.

## #2 Celebrate effort, not results

Celebrate your child's hard work and effort, regardless of the results.

What matters is that they have given their best.

## #3 Don't compare!

Don't compare your child's results with others.

Regardless of the outcome, it is important for your child to know you love them, and that their grades don't define them.
