

Google Meet

What is Google Meet?

- It is a video conferencing app that allows big groups to meet online
- An alternative platform for live lessons

Rules for a productive and respectful lesson

- **Seat yourself in an environment where you will be least distracted**
 - Avoid moving away from your seat or talking to others until the lesson is over
 - Get everything you need ready before the start of the lesson
- **Be attentive to instructions given and ask if in doubt**
- **Enjoy the lesson! (:**
