

HOME-BASED LEARNING

P5 STANDARD MATHEMATICS & FOUNDATION MATHEMATICS TASK SHEET

23 APRIL 2024

Hold on to our IJ Dream

P5 Standard Mathematics & Foundation Mathematics: 9.15 a.m. – 10.15 a.m.

GROUP A1	GROUP A2	GROUP A3	GROUP A4
<p>Topic: Whole Numbers, Fractions & Area of Triangles (Revision)</p> <p>Learning Outcomes:</p> <ul style="list-style-type: none">Recall key concepts taught to topics on Whole Numbers, Fractions & Area of Triangles.Apply knowledge from these topics to solve questions. <p>Online Zoom</p> <p>Offline Maths Whiz 4</p>	<p>Topic: HPS - Fractions of whole and part (II)</p> <p>Learning Outcomes</p> <ul style="list-style-type: none">Differentiate Fractions of Whole and Fractions of Part (remainder) – prior knowledge taught in Fractions of Whole and Part (I)Recognise the relationship between Fractions of Whole and Fractions of Part (remainder) in a question and apply the concepts accordingly. <p>Online Zoom (30 min)</p> <p>Offline Heuristics booklet pages 6 – 11</p>	<p>Topic: Volume of Liquid in Cubic Centimetres (cm³) and Cubic Metres (m³)</p> <p>Learning Outcomes:</p> <ul style="list-style-type: none">Equate amounts in litres or millilitres with cubic cm and vice versaRecognise the relationship between litres and cubic cm <p>Online Zoom/SLS (30 min)</p> <p>Offline WB pages 151 to 152</p>	<p>Topic: Whole Numbers, Fractions & Area of Triangles (Revision)</p> <p>Learning Outcomes</p> <ul style="list-style-type: none">Recall key concepts taught to topics on Whole Numbers, Fractions & Area of TrianglesApply knowledge from these topics to solve questions. <p>Online Zoom</p> <p>Offline Maths Whiz 5</p>

GROUP B1	GROUP B2	GROUP B3	FOUNDATION MATHEMATICS
<p>Topic: Heuristics & Problem Solving – T1 Consolidated Revision</p> <p>Learning Outcomes</p> <ul style="list-style-type: none"> Recall key concepts covered in term 1 – Assumption/Supposition method, Replacement and Discount concept. Apply knowledge from these topics to solve questions <p>Online Zoom</p> <p>Offline WB Pages 101-103 (Revision)</p>	<p>Topic: Whole Numbers, Fractions & Area of Triangles (Revision)</p> <p>Learning Outcomes</p> <ul style="list-style-type: none"> Recall key concepts taught to topics on Whole Numbers, Fractions & Area of Triangles. Apply knowledge from these topics to solve questions. <p>Online Zoom</p> <p>Offline Maths Whiz 4</p>	<p>Topic: Whole Numbers, Fractions & Area of Triangles (Revision)</p> <p>Learning Outcomes</p> <ul style="list-style-type: none"> Recall key concepts taught to topics on Whole Numbers, Fractions & Area of Triangles. Apply knowledge from these topics to solve questions. <p>Online Zoom</p> <p>Offline Maths Whiz 5</p>	<p>Topic: Geometry</p> <p>Learning Outcomes</p> <ul style="list-style-type: none"> Identify parallel lines Draw parallel lines <p>Online SLS</p> <p>Offline Math worksheet Practice 10 (Page 177 to 182)</p>
